# THE DEDUCTIONS YOU'RE MISSING

## Why Real Estate Pros Overpay on Taxes

Most real estate pros overpay on taxes, not because they earn too much, but because deductions are missed, misunderstood, or poorly documented.

Between confusing IRS rules, bad advice on social media, and manual tracking that falls apart by spring, it's easy to leave money on the table.

This educational webinar breaks down how real estate professionals are taxed, what deductions actually apply, and what the IRS expects if you're ever asked to prove it.
